

APA Summary of Topics & Documents for Comment

Below is summary of the topics and documents available for comment related to the Post-2017 Hoover Power Allocation Process.

1. Consultants' Revised Draft Plan and Draft Alternatives

The Revised Draft Plan and Draft Alternatives were posted to APA's website on December 29, 2014, and were the subject of the Consultants' Workshop on January 16, 2015. Following the Workshop, the Consultants made minor corrections to Draft Alternatives 1-3. The corrected documents were posted on January 16, 2015.

Written comments on these documents are due **January 28, 2015**. Written comments should be submitted to Mike Gazda at mike@powerauthority.org.

2. APA Timeline for Formal Process to Allocate Post-2017 Hoover Power

The Commission is requesting input on a proposed timeline for the Formal Process. A summary of the two options was posted on January 8, 2015, and is also attached to the agenda for the January 20, 2015 Commission meeting. At the January 20, 2015 meeting, the Commission will invite interested parties to comment on the following two issues:

- (1) Regarding the timeline for the Formal Process, should the Authority proceed in the order according to Option 1 or Option 2?
- (2) Regarding the formation of new special districts, how should the Authority manage parties in the process of forming new special districts: (a) Set a deadline for completion of the formation process that occurs before the due date for applications; (b) Allow entities in the process of forming new special districts to apply for an allocation of post-2017 Hoover power on the condition that the special district is formed prior to execution of a power sales contract; or (c) Proceed in another manner?

Written comments on these two issues are due by **January 29, 2015**. Written comments should be submitted to Mike Gazda at mike@powerauthority.org. Following the submission of written comments, the Commission anticipates taking action at the February 17, 2015 meeting.

3. APA Proposal for Addressing Policy Issues in Post-2017 Hoover Power Allocation Process

The Commission is requesting comments on a proposal to address policy issues before the Formal Process begins. The proposal was posted on January 15, 2015 as an attachment to the agenda for the January 20, 2015 Commission meeting, and noticed for possible action. At the January 20, 2015 meeting, the Commission will accept comments on this proposal, including whether this is an appropriate procedure or whether the Commission should proceed in another manner to address policy issues; and the proposed dates for the special meeting and written comment deadline.

If the Commission adopts the proposal at the January 20, 2015 Commission meeting, the following dates will be relevant. A special meeting will be scheduled for **March 3, 2015**, where interested parties may present comments on the policy issues, and written comments on the policy issues may be submitted for the Commission's consideration by **February 25, 2015**.
